

Neighbourhood Gardener

Reports to: Neighbourhood Services Manager (Gardening)

The part I play at Bromford Flagship LiveWest to enable people to thrive is:

To carry out and assist with grounds maintenance related tasks to ensure the places in which our customers live are maintained to a high standard.

I work within a customer focused team and efficiently ensure all tasks are carried out in a manner that ensures we are spending our time and money wisely. My typical work activities include using strimmer's, ride on mowers, hedge cutting, litter picking and spraying.

I maintain high standards and take responsibility for all equipment and health and safety requirements.

My skills and experience include:

I am experienced within the horticultural industry; I have the ability to operate the relevant equipment and I have a full driving license.

I have good problem solving and communication skills, as well as basic competency in Microsoft applications such as Outlook and Teams.

I have a proactive approach and I can work diligently within a team.

The skills I will develop include:

understanding and familiarity with a range of operational digital systems.

An increased practical working knowledge of grounds maintenance works.

I may also have the opportunity to act as a mentor to trainees and apprentices.
