

Job Description

Title:	Electrician
Reports to:	Site Manager
Based at:	Norfolk
Hours of work:	42.5hrs per week

Key objectives of role:

To carry out and assist with all trade related tasks as an Electrician working as (but not restricted to) part of a customer focused team. Role is to ensure the effective and efficient repairs of all electrical duties

Main responsibilities:

1. To be responsible for the effective and efficient repairs of all electrical duties, including all associated works within both occupied and void properties using the required tools.
2. To assess and carry out accurate planned repairs and upgrade works.
3. To ensure that the work is undertaken in a timely manner, whilst maintaining a high standard of workmanship.
4. To manage customer enquiries, responding in a professional manner coordinating with our Operations Centre.
5. From time to time, if requested, to act as a mentor to trainees/apprentices to encourage and support their development.
6. To undertake any other duties as required by the Group from time to time, if these duties are of a greater level of responsibility or skill than those required in the post, then full training and appropriate supervision will be provided.

7. Work on own initiative to ensure that all repairs and planned works are carried out efficiently to ensure the right level of customer satisfaction is achieved.
8. Take responsibility for all transport, equipment or mobile phone devices issued by Gasway and ensure that they are kept in excellent condition and secure at all times.
9. Take personal responsibility for own Health, Safety and Welfare and that of colleagues in the workplace.
10. Take personal responsibility for seeking value for money opportunities.
11. Understand and use measures to enable continuous improvement.
12. Take personal responsibility for the understanding and application of the Gasway culture by the team and individuals and striving for continuous improvement.
13. Ensure that It Security and Data Protection Legislation is adhered to at all times.
14. Actively support Gasway's E,D & I policy to ensure that all customers/residents and colleagues within the Group are treated fairly, with dignity and respect.

Duties:

- Installation of new Kitchen & Bathroom electrics
- Testing and inspection of domestic dwellings
- Fault finding and repair
- Showers
- Completion of all NICEIC paperwork
